

# “THE BEATING SEA” / “EL MAR QUE PALPITA”

Sara Alcaide Delgado  
Universidad Complutense de Madrid

Supermoon Over the Beach of Ris, Noja, Cantabria, Spain, 2024. Own photo.

The sea beats as every wave reaches the shore, carrying a salty smell that weaves with the wind and the sound of the crashing waves against the rocks. The full moon, witness to the beating sea from behind the lit-up brushstrokes of the clouds, and reflecting upon the waves, creates a beautiful landscape that feels almost ethereal.
